The 4-step Google review system.

All free. You can start this week.

STEP 1

Ask in person, at the peak moment.

Job done, customer happy. That's the window. Not an email a week later.

STEP 2

Hand them the direct link.

Google gives every profile a short review link. 'Look us up on Google' loses people. The link doesn't.

STEP 3

Reply to every review, good and bad.

Google's local ranking reads it as a real, active business.
Most owners skip this one.

STEP 4

Never buy reviews.

Google's filter catches fake patterns and can suspend your whole profile. Slow and real wins.

What's your Google review count right now?

Drop it in the comments for a realistic 90-day target.
